## ABOUT DURTY LITTLE SEKRET

Durty Little Sekret is a high-energy live rock band bringing a crowd-pleasing mix of favorite songs, classic rock attitude, and 80s rock and roll to the stage. Built around powerful vocals, guitars, drums, and a fun live-performance atmosphere, the band is focused on giving audiences a night of music they know, love, and can sing along with.

Whether performing for a festival, private event, outdoor show, club, bar, or community celebration, Durty Little Sekret delivers an energetic show designed to keep the crowd engaged and the good times going.

## THE SOUND

Rock and roll with an emphasis on the songs that get people moving, dancing, singing, and coming back for more. The band's style draws from the spirit and energy of classic and 80s rock.

Durty Little Sekret — live and ready to rock.

## LIVE ON STAGE

Durty Little Sekret brings a full-band presentation with lead vocals, guitar-driven rock, and live drums. The group is equally at home on an outdoor stage or under club lights, with a performance built around energy and audience connection.
